COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Applicant hereby files these comments after allowance to confirm a telephone interview between Applicant's attorney and Examiner Patrick Butler on February 26, 2007. During that interview, Applicant's attorney pointed out a typographical error in the Examiner's Notice of References Cited (PTO-892), which was mailed along with the Notice of Allowance on December 5, 2006. Namely, the notice lists U.S. Pat. 4,647,690 to Drake which is entitled "Process for the Production of Allyl Acetate." It is believed that the proper reference is to U.S. Pat. 4,047,690 to Winter, which is entitled "Mold for Concrete Test Tube." Winter '690 was cited in Applicant's Information Disclosure Statement of June 24, 2004. The Examiner has acknowledged having considered the references cited in Applicant's Information Disclosure Statement. Accordingly, the Examiner's reference to Drake '690 is considered to be an error.

Applicant's attorney kindly thanks for Examiner for his time in resolving this issue.
